- For all students (EXCEPT BEGINNING FRESHMEN AND TRANSFERS) who have complied with admission procedures outlined on Page 3 of this bulletin, registration packets may be procured on August 21 and 22 and on September 6, 7, 9, and 10, provided re-admission procedures have been complied with not later than August 13. Go to the Registrar's Office and sign up for re-admission.
 - For students who have not complied with all of these procedures by Tuesday, August 13, packets will not be available until Thursday and Friday, September 19 and 20, and will be issued according to the alphabetical groups listed on Page 2 of this bulletin.
- Step 2: At your leisure, fill in (USING PENCIL, PLEASE) all the information called for on these forms EXCEPT FOR CLASS SCHEDULES.
- Class schedules must not be entered on any of these cards until after the proper class cards have been obtained (Step 4).
 - All other information must be furnished in full. Failure to complete all of the forms fully will only delay your registration.
 - Be very careful not to bend or in any way mutilate the IBM cards in this packet. If any of the cards are damaged, or if the packet is lost, you will face a long delay at registration time.
- Step 3: At the time indicated on the front of this bulletin take your packet to your adviser for help in planning your schedule.
- Step 4: Go to the Card Center in the Student Center Building and apply to each department listed on your schedule for the appropriate course card and admission card. IMPORTANT: If you find it necessary to make minor changes in your schedule after you have reached the Card Center, you may do so without returning to your adviser. However, if you feel the need of further counseling, do not hesitate to return to your adviser.
- Step 5: (FOR WOMEN STUDENTS ONLY) All women students must go to the Office of the Dean of Women, Room 205, Administration Building, for residence approval.
- Step 6: Take the registration packet, along with the schedule card and all of your class cards, to the dean of the school in which you are enrolled. During the registration period the deans are located as follows:

Fines will be assessed against any unlicensed automobile parked on the campus. The license fee is \$2.00.

A D V I S E R S

At the time of registration each student at Memphis State University is assigned to faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason it is necessary that every student be prepared to name a major area at the time he registers. Such choices are not necessarily permanent or binding; the student may change his major area at any time during his college career with a minimum of administrative procedure.

- a. **CURRENT and FORMER STUDENTS** will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned.
- b. **TRANSFER STUDENTS** will apply to the office of the chairman of the department in which they plan to major for assignment to an adviser.
- c. **BEGINNING FRESHMEN** will receive instructions about advisers during their orientation sessions.

PRE-PROFESSIONAL STUDENTS: In certain areas the university has established committees composed of faculty members from various schools and departments for the purpose of advising students interested in preparing for professional careers. Such students should report at their scheduled time to these committees in the rooms indicated.

PRE-MEDICAL ADVISORY COMMITTEE (Dr. Elmore Holmes, chairman)
Room 120, Manning Hall

(This committee will advise students interested in careers in medicine, dentistry, pharmacy, nursing, medical technology, veterinary medicine, optometry, and related fields.)

PRE-LAW ADVISORY COMMITTEE (Dr. Erwin C. Buell, chairman): Room 120, Business Administration Building.

PRE-ENGINEERING ADVISORY COMMITTEE (Dr. Don C. Claypool, chairman): Room 303, Administration Building.

C H A N G E O F C O U R S E P R O C E D U R E

After a student's registration is completed, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. Application for permission to add or drop courses is made in the office of his adviser.

No course may be added after Friday, September 27.

No course may be dropped after Friday, October 25.

IMPORTANT NOTE: It is sometimes necessary for a student to request a change from one section of a course to another section of the same course. Such changes will be allowed only in extreme emergencies. The procedure involves dropping one section and adding another; it must be done within the time limits noted above, and **MUST BE APPROVED BY THE CHAIRMAN OF THE DEPARTMENT CONCERNED.**

W I T H D R A W A L F R O M T H E U N I V E R S I T Y

A student may withdraw from the university by advising **DEAN OF STUDENTS, R. M. ROBISON** in person or in writing. Failure to notify the dean of withdrawal will result in a grade of "F" for each course in which the student is registered.

Students who withdraw before **FRIDAY, OCTOBER, 25**, will have their records marked "Withdrawn."

Students who withdraw after **FRIDAY, OCTOBER 25**, will have each of their courses recorded as "WP" (withdrawn passing) or "WF" (withdrawn failing) depending upon their performance in each course at the time of withdrawal.

No withdrawal is permitted within one week of the beginning of the final examination period or after **SATURDAY, JANUARY 18, 1964.**
